This is your chance to become part of history! Our organization is in the process of making its second deck of historical playing cards and you can be a part of it. Each card face in the deck will be sponsored by a local business, family, organization, person or whomever wants to play a part in the deck. This is a great way to advertise your group or just to put your family name on a piece of history.

Please choose which card face you want to sponsor: (Circle 1 or more)
